

Holiday Decorating Contest Winners – 2020

The Mayor's Committee on Community Celebrations wishes to express their sincere appreciation to all those who took the time to decorate and spread some cheer this holiday season. While the world has vastly changed since last Christmas, it is nice to know that some things really do remain the same. Traditions such as driving around town with family to look at all the beautiful decorations remains a safe and fun activity. Our judges and their families thoroughly enjoyed it. Our goal was to provide the community with a list of houses they should go see. There are so many beautiful houses all over town that it was hard to narrow the winners down to just a few. Our hope is that everyone has an opportunity to see how our town sparkles and to make wonderful, lasting memories with family along the way. We wish you all a safe, happy, and healthy holiday season!
