

In response to the Covid-19/Coronavirus Health Crisis, and as a pre-emptive measure for the health, safety and protection of Hasbrouck Heights residents, all events in the Senior Center and Community Room are cancelled effective Friday, March 13th, until further notice. The only Senior Bus services will be to Shop-Rite on Wednesdays.

Practicing “Social Distancing” helps to prevent the spread of the germs which cause the virus.

Evaluation of the Health Crisis will continue throughout the closure and future updates will be provided via Reverse 911 calls, on the Borough Website and on the Electronic Sign outside of Borough Hall.
