

Hasbrouck Heights Fire Department

Dear Neighbor:

The Hasbrouck Heights Fire Department supports the residents and their families with all fire, ambulance, rescue and emergency services 24/7. Each year, your community fire department volunteer members respond not just to hundreds of fire and ambulance calls, but also attend drills, meetings and additional training.

During the COVID-19 pandemic, these dedicated volunteer First Responders not only took residents quickly to area hospitals to ensure their safety, made sure patients were treated with the utmost care, and also found the time to travel the town for “birthday parades,” helping children to not miss their “milestone” day.

Our volunteers do not receive a salary. Your generous contribution of any amount is greatly appreciated. Your donation helps fund necessary training materials, maintenance supplies, and unfunded operation expenses that help improve the Department.

Please make checks payable to Hasbrouck Heights Fire Department. No cash please.

For your check, please use the return envelope that has been provided. This annual appeal is our only fund drive.

Thank you for your continued support,

Fire Chiefs, Fire Officers and Members of the Hasbrouck Heights Fire Department

Consider joining your Fire Department, EMS Squad or Junior Program.
Call the Fire Chief’s Office at 201-288-0082 for information on the Department. Volunteers are always welcome. For Fire Prevention materials and resources, call 201-288-4110.

Smoke/CO Detectors and Masks Save Lives
